PARTY PACKAGE GUIDE

Whether you're planning a birthday, a milestone event, or just a fun get-together, we offer a variety of packages to match your style—from fully hosted experiences to more flexible, do-it-yourself options. With bowling, laser challenges, arcade games, and more, there's something for everyone. This guide will walk you through our party packages and help you choose the perfect fit for your group and occasion.

Let's start with a helpful list of key terms to keep in mind when deciding, showcasing how Ocean5 stands apart with our unique offerings:

PARTY HOST

A dedicated Ocean5 team member will be with your group throughout the celebration to help everything run smoothly—from keeping activities on track to assisting with food and drinks. Whether you're wrangling a group of kids, adults or just want to relax and enjoy the moment, your host is there to help.

PERSONAL SERVER

A VIP service provider who accompanies your party, taking food and drink orders so your guests can relax and enjoy without needing to leave for the bar or café.

PRIVATE PARTY ROOM

Our modern event spaces located on the second floor, featuring set tables and chairs, nearby restrooms and a designated station for food, drinks, and gifts.

RESERVED TABLES IN THE SALISH SEA LOUNGE

While this area is a public space, your party is reserved dedicated seating for up to 20 guests in our spacious 1st floor Salish Sea Lounge.

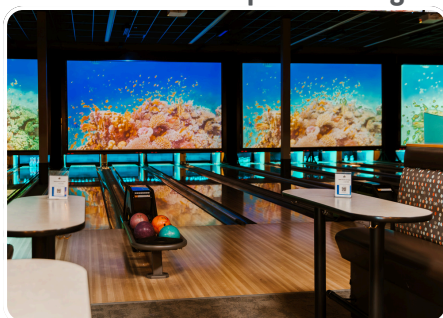

PLAYERS

The number of guests included in your package pricing. Want to bring a few extra friends, family members, or coworkers along? No problem—additional guests can be added for an extra charge.

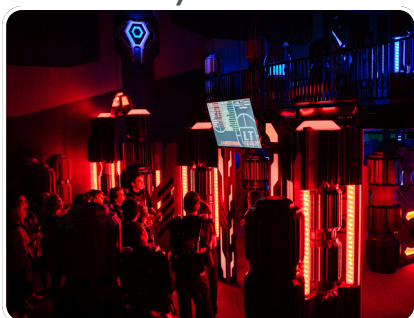

GUESTS

Friends, family, or plus-ones who aren't participating in the activities but still want to join the celebration. Just give us a headcount in advance so we can plan seating and offer options to add food or drinks if you'd like.
